

The background of the advertisement features a close-up of a male technician with glasses, wearing an orange high-visibility shirt over a blue collared shirt. He is looking down at a green Hitachi-branded box. To his left, a blue industrial air hose is visible, with several white wavy lines emanating from it, suggesting air flow or service. The overall scene is set in an industrial or workshop environment.

HITACHI

Your 15% Off Compressor Service Offer Has Been Extended!

When your compressor's in our hands, it's in expert hands

Whether It's Your First Time or a Fresh Start - Take 15% Off!

To claim your offer, book by **November 30** and then complete the service within 12 months of the original booking date, using the code **HGAP15** to get 15% off your next compressor service.

Valid for anyone whose most recent service wasn't done by the Hitachi Global Air Power team, and for new customers looking to experience expert care. Any make. Any model.

One Team. Three Brands. Total Expertise.

HITACHI

 **SULLAIR®**

 **CHAMPION**

Hitachi Global Air Power Australia is the name behind the trusted compressor brands you know - **Hitachi, Sullair, and Champion.**

As a multi-brand service provider, we offer nationwide expert support for all compressors in our portfolio – and we're just as equipped to service any other brand you operate.

Whether you're running **Hitachi, Sullair, Champion – or any other make or model** - your equipment is in experienced hands.

Our Servicing difference

Whether you're new or returning, here's why you can count on our expert care:

Nationwide network

With factory trained technicians strategically located across Australia, you can count on consistent, high-quality servicing and support, no matter where you are.

Genuine parts

Only genuine parts are purpose-built for your compressor-preserving system integrity, ensuring peak performance, and protecting your investment. Don't risk downtime or damage with substitutes. Trust the parts designed to do the job right.

24/7 support

You'll have peace of mind knowing our dedicated team is always ready to support you. No matter the make or model, know you can count on our 24/7 emergency support hotline.

With Hitachi Global Air Power, you're not just booking a service; you're unlocking knowledgeable servicing and genuine parts coordinators and factory-trained compressor service technicians working in sync to keep your systems running optimally.

**SCHEDULE NOW
LIMITED TIME ONLY!**

Exclusive 15% discount only available for services booked by Nov 30, 2025. Service must be completed within 12 months of the original booking date. Schedule your service and lock in your savings! **Use Code: HGAP15**

Terms & Conditions: Offer valid for service bookings confirmed by November 30th, 2025. Service must be completed within 12 months of the original booking date. Discount applies to the total cost of the service. Valid for new customers or if your last compressor service wasn't completed by us. Excludes Centrifugal servicing and Service Care Plans. Offer limited to one compressor service per customer. Not redeemable for cash or in conjunction with any other offer. Hitachi Global Air Power Australia reserves the right to amend or withdraw this offer at any time. Limited to Australia only.
